EXPERIENCE

Swahilipot Hub <i>Software Engineer</i>	<i>July 2022 - Present</i> <i>Mombasa, Kenya</i>
<ul style="list-style-type: none">· At Swahilipot I am able to work on some of my application ideas through the help of a supporting community at Swahilipot Hub.· Swahilipot has been able to provide me a space to work on my programming skills by working on coding projects collaboratively.	

- Through my time spent working on building applications, I have been able to understand the value of resilience, open-mindedness, honesty, hard work, strategic thinking, collaboration, team work, and consultation.

BlackSpot Film Production

Business Administrator

July 2021 - Present

Mombasa, Kenya

- At BlackSpot, I work on building business plans, models, and strategies of the logistics of creating movies, budgeting movies, marketing movies, and distributing movies.
- Through working at BlackSpot Film Production, I am able to empower film script writers, producers, directors, actors, actresses, and creatives to be able to generate a sustainable source of income from their creativity.
- At BlackSpot Film Production, I am able to enhance my skills on creativity, out-of-the-box thinking, big picture thinking, and being detail oriented.

Mt. Zion Deliverance Church

Videographer Volunteer

November 2022 - Present

Mombasa, Kenya

- At Mt. Zion Deliverance Church, I have volunteered as a videographer. I record sunday sermons and help out with the media team to be able to spread the gospel of the kingdom digitally.
