## EXPERIENCE

---

<b>Swahilipot Hub</b> <i>Software Engineer</i>	<i>July 2022 - Present</i> <i>Mombasa, Kenya</i>
<ul style="list-style-type: none"><li>· At Swahilipot I am able to work on some of my application ideas through the help of a supporting community at Swahilipot Hub.</li><li>· Swahilipot has been able to provide me a space to work on my programming skills by working on coding projects collaboratively.</li></ul>	

- Through my time spent working on building applications, I have been able to understand the value of resilience, open-mindedness, honesty, hard work, strategic thinking, collaboration, team work, and consultation.

### **BlackSpot Film Production**

*Business Administrator*

July 2021 - Present

*Mombasa, Kenya*

- At BlackSpot, I have been able to work building business plans, models, and strategies of the logistics of creating movies, budgeting movies, marketing movies, and distributing movies.
- Through working at BlackSpot Film Production, I am able to empower film script writers, producers, directors, actors, actresses, and creatives to be able to generate a sustainable source of income from their creativity.

### **Mt. Zion Deliverance Church**

*Videographer Volunteer*

November 2022 - Present

*Mombasa, Kenya*

- At Mt. Zion Deliverance Church, I have volunteered as a videographer. I record sunday sermons and help out with the media team to be able to spread the gospel of the kingdom digitally.
